

Practical Beekeeping for New and Current Beekeepers

Class is open to all - male and female, young and old. Honeybees are becoming more and more valuable to us each year as we reduce their habitat and introduce new pests to prey on them, and as our understanding of the health and wellness advantages of consuming local honey increases. Beekeeping is one of the most rewarding and useful occupations / hobbies anyone can enjoy. For more information, call the contact number.

January 25th 2021 through
March 15th 2021

Every Monday for 8 weeks
6:30pm - 9pm

Cost: \$30.00 plus book fee

Classes held at: Hinson's Auction House
640 S Oakridge Rd. (Hwy. 205)
Oakboro, NC 28129

Sponsored and taught by the
**Stanly County Beekeeper's
Association**

This will be an eight-week class on basic and advanced training in how to prepare for, acquire, and manage honeybee colonies. This training is essential in becoming a successful beekeeper.
